

CUSTOM GALLERY - CEILING/PENDANT

PROJECT: Yountville Community Center - Yountville, CA
ARCH: Siegel & Strain
LT DES: Alice Prussin Lighting Design
SPEC Nos: 3D-2352 Pendant; 1D-2352 Ceiling (2009)

These pendants feature dimming ballasts that respond to daylight controls. Fabricated from cold-rolled steel with high recycled content and painted with low VOC paint they utilize high efficiency CF lamps.
