

CUSTOM GALLERY - CEILING/PENDANT

PROJECT: Green Music Center - Sonoma State University - Santa Rosa, CA
ARCH: (Executive) BAR Architects
EE: Flack & Kurtz; ARUP & Partners
SPEC No: 3D-2247 bowl pendants; 5D-2240 wall mount (2008)

The Green Music Center, a part of the Sonoma State University campus in Rohnert Park, CA, is a world-class concert hall, designed to showcase acoustic music and the human voice. The pendant-chandeliers were designed to be both decorative and to provide useful light to the lobby spaces. Companion wall mounted fixtures carry that decorative theme to a smaller scale.
